camel Spider is preparing to eat the biggest cockroach ever

Camey to camel spider Have you finalized your plans for the road trip to the sahara?

Sis to camel spider I think I am having babies. 😊

camel spider is so glad we avoided war with the sqorpions! That Crisis in the sahara had my blood boiling!
October 28, 1962

camey cant wait untill night to go to the insect galore, want to go with?

Sure I'll go.
